### PUBLIC NOTICE VILLAGE OF JOHNSON CREEK, WISCONSIN

Public notice is hereby given that the Joint Review Board will hold an organizational meeting on Wednesday, September 4, 2024 at 2 pm. at Johnson Creek Village Hall, located at 125 Depot Street.

The JRB meeting will be in anticipation of adopting an amendment to Tax Incremental Financing District No. 4 (TID #4) Project Plan. TID #4 generally includes properties along Highway 26 and Milwaukee Street/County Road B, as well as properties fronting Grell Lane and Wright Road.

TID #4 is classified as a mixed-use district based on the identification and classification of the property proposed to be included within the District. The purpose of TID #4 is to provide financing for new infrastructure and promote economic development in an area of the City poised for future commercial, residential, and mixed-use growth.

The proposed amendment will update the project list with the following changes for a new total of approximately \$12.4 million in project expenditures:

- Well 4 upgrades needed to serve new development in the TID
- Grell lift station upgrades needed to serve new development in the TID
- Upgrades to the wastewater treatment facility needed to serve new development in the TID
- Increased administrative and professional costs to serve the TID
- Increased borrowing costs

The meeting is open to the public. Copies of the proposed TID #4 amendment are available online at [www.johnsoncreek-wi.us](http://www.johnsoncreek-wi.us) or at Village Hall upon request.
